SUMMER 2018 – No. 250

NOTES FROM COUNCIL MEETINGS

REPORTS and ISSUES RAISED

Police

- Concerns were raised regarding lack of Police patrols in the area.
- Concerns regarding speeding, all incidents should be reported to the Police.

Countryside

- Barlby Woodland and Meadow – Trees planted in marshy area to help with drainage. The bridge off Woodlands View needs improvement.
- There has been a debate as to who is responsible for surface water disposal from Wainhomes and possible solutions to the ongoing drainage problems from the pond to the Ouse and Derwent drainage board dyke. Meeting held on 23rd April with Yorkshire water to discuss drainage at the Meadow. Yorkshire Water are adamant that it is not their responsibility. Greencore has been contacted as Landowner. Enquiries are being made with SDC Planning about drainage conditions attached to the original planning permission. Cllr B Marshall will discuss with the Drainage Board. The ditch that was dug to alleviate the situation has been re-instated.
- Decking and lifebuoys continue to be vandalised, any information regarding this please contact The Council Manager.
- Barlby Ponds – Lifebuoys have been replaced.
- Livestock are still getting onto the site, the Police have been informed.
- Part of a small bridge has collapsed on the Public Right of Way. NYCC have been informed and the large hole has been fenced off for safety reasons.
- Recent rush removal has been successful and another treatment will take place in the Autumn.
- Old Railway Walk – The sign has been repaired. The A63 end of the path is very wet and this will be monitored.
- Osgodby Pond – Some remedial works required. Moorhens are nesting.

General

- General issues discussed included the forthcoming works and parking problems at Hilltop school.
- An update on the '95' Alive Campaign and Police presence at Primary Schools to deal with problem parking.
- Updates on disabled parking spaces, potholes, re-surfacing in the area and on Vehicle activated speeding signs a 20 mph zone survey and carbon dioxide monitors in social housing.

PUBLIC SESSION

During the public session local residents raised the following issues: Development without planning permission, enforcement issues at the Bay Horse site, vehicles parked on double yellow lines near to the Pharmacy and proposed private vehicle access points.

Allotment holders were welcomed to the meeting and were asked for suggestions to improve the site. Matters raised included the use of plastic sheeting, rubbish disposal, composting bins, vacant plots and water runoff. The Allotment Manager explained that plot holders who did not comply with the rules were given chance to put things right but could face eviction. The waiting list for an allotment is greatly reduced. The Council agreed to install compost bins.

PROJECTS

Emergency Plan – Flood Warden Seminar to be held in York in July.

Memorial Garden – Designs and costs were discussed. A contractor was approved. A working group was established to look at samples of stone. Businesses in the Parish have responded with offers of sponsorship and donations have been received plus offers of help and materials. If you are interested in contributing please contact the Council Manager.

PLAY AREAS/OPEN SPACE/ALLOTMENTS

Patrols increased at Bungalow Road due to reports of anti-social behaviour and dog fouling. Travellers camped overnight on the playing fields, no mess or litter was left after they departed. Spring Play Area inspections- monitor mats under equipment, consider replacing. Site meeting held with SDC to agree handover of Sycamore Rd toddler area. Site cleared and swings will be re-used elsewhere. Signs and notice board will be removed at a later date. Concerns raised by a resident about play provision in the Parish.

It was agreed to construct new compost bins at the St Leonards site. Proposed allotments at Barley Fields - provisional date for handover is Spring 2020. There could be an allotment association for the site.

The Public Right of Way from Sand Lane to the A63 has become obstructed, this has been passed to NYCC. The verge near Beechcroft requires attention.

- It was noted that a large number of trees have been planted, by the developer, along the frontage of Barley Fields.
- The Three Swans Company has kindly agreed to provide stone to fill potholes at Bungalow Road.
- Parked cars are restricting access to back lanes at Barlby Crescent.
- NY Highways confirmed that the first stretch of Magazine Road is a public highway.
- A drain cover is missing near the flats on Riverside close.
- NYCC- Vehicle activated signs consultation. Surface dressing programme 2018, noted.
- Proposed waiting restrictions to extend the double yellow lines on York Road near the Pharmacy, plus the entrance to Grove Park.
- Request for a dog bin for Hawthorn Drive approved.
- Dales Bus Summer timetable noted.

COMMUNITY GROUP

COMMUNITY NEWS

LADIES CIRCLE

It is with great regret that I have to inform that the Ladies Circle Group has been disbanded after meeting for over 54 years. The group has considerably reduced in numbers and due to age and 'infirmities' and being unable to attract younger members we now feel it is time to close our 'Circle'.

As president for quite a number of years I would like to thank all our members, past and present for their loyalty, I wish them well and hope we can meet up from time to time.
